A Visible Difference™

## Recessed Downlight

7.5" round recessed downlight with heavy gauge wrapped-cylinder construction and powder coat finish.

Series	Wattage	Lamp Base
TH75(N,M,W)	100	MINI-CAN
TH75(N,M,W)	150	MINI-CAN
TH75(N,M,W)	250	MINI-CAN
TH75(N,M,W)	500	MINI-CAN

*Slope Ceiling Adapter(SCA) Available in 5° Increments from 10° to 30°*

## Surface Mount Cylinder

Heavy gauge 9" aluminum cylinder with extruded and diecast mounting assembly is available in round, square, and octagonal shapes.

Series	Wattage	Lamp Base
<i>Round</i>		
THC90(N,M,W)	250	MINI-CAN
THC90(N,M,W)	500	MINI-CAN
<i>Square</i>		
TH5QC90(N,M,W)	250	MINI-CAN
TH5QC90(N,M,W)	500	MINI-CAN
<i>Octagonal</i>		
THOC90(N,M,W)	250	MINI-CAN
THOC90(N,M,W)	500	MINI-CAN

*Durable Powder Coat Finish Standard on All Cylinders*

## Narrow, Medium, and Wide Distribution

Infinity TH fixtures are specially designed with a two piece reflector system to optimize beam control and lamp efficiency.

High grade machined aluminum heat sink provides superior thermal control extending the life of the lamp.

Additional wattages, trim finishes, and cylinder colors are available. Visit us at [www.hew.com](http://www.hew.com) to see our full line of lighting products.
